Software Developer

about

// As a former advertising Account Supervisor, advertising taught me about great design while my time as a Web Developer at Igloo Software has instilled in me a passion for accessibility. Combined, my experiences have helped me to develop a user focused mind set while developing pixel perfect UI.

skills

// JavaScript, TypeScript, React, Redux, jQuery, CSS, Sass, HTML, Accessible Web Development

experience

// **Uberflip** - Toronto, ON
Team Lead & Software Developer,
October 2019 - Present
Software Developer,
April 2019 - October 2019
Front End Developer,
April 2018 - April 2019

// As a team lead actively working with team manager to run daily team standups and coordinate additional tasks when needed, such as helping with team demos and unblocking tickets
// As a software developer, working as a member of a scrum team focused on developing accessible modern application UI using Liquid, TypeScript, Webpack, and Sass

// **Igloo Software** - Kitchener, ON
Web Developer,
September 2016 - April 2018

// Worked on a client facing development team to deliver maintainable and scalable custom solutions and themes for clients using HTML, Sass, JavaScript and jQuery
// Supported the client success team by demonstrating product customizations and providing product specific developer training to clients and customers as needed

// **ds+p** - Toronto, ON
Account Supervisor,
August 2015 - December 2015
Account Manager,
July 2013 - July 2015
Account Coordinator,
March 2012 - June 2013

// Worked with senior clients to develop cross-media campaigns to meet key business objectives, including doubling in-store sales year-over-year
// Worked closely with creative teams and designers to complete and deliver multiple cross-media campaigns on time and within budget to drive results to increase brand awareness and drive site traffic, in some cases doubling industry benchmarks

volunteer

// **Ladies Learning Code**, Toronto, ON
Mentor,
April 2016 - February 2020

// Supported instructors by providing one-on-one direction to students and helped students debug code for Intro to HTML & CSS and Intro to JavaScript workshops

education

// **Bridge** - Toronto, ON, Software Development, Completed September 2019
// **Bitmaker** - Toronto, ON, Web Development, Completed March 2016
// **George Brown College** - Toronto, ON, Continuing Education Certificate, Web Development, Graduated March 2015
// **King's University College at the University of Western Ontario** - London, ON, Bachelors of Arts Degree, Honours Specialization History, Graduated April 2007
